Studio Policies and Important Information

Fees

Class fees are paid by semester and due before the first class of the session. Fees can be paid by e-transfer, cash, or cheque. Fees are non-refundable after the first class and refunds will not be issued for students who chose not to complete the semester.

Release of Liability

To my knowledge, my child does not have any medical problems that would prevent him/her from participating in a dance program. I understand that it is my responsibility to obtain a physician's consent if necessary and inform instructors of health problems. In the event of an accident or injury during this program or any organized event that results from the program, I will not hold the instructors or the organization Beyond Dance Company responsible for injury. I release all such parties, including the landlord and owners of The Christian Education Center from any liability.

Photo Release/Media Use Rights

Photos and videos may be taken during classes and other studio events to use for advertising and publicity, including website and social media use. Please contact Beyond Dance Company for any concerns regarding the use of your or your child's image online or in print.

Dress Code

All students are required to follow our dress code as described on our website at <https://www.beyonddance.ca/dress-code>. Students who are not dressed properly for class will be asked to sit out and observe the class.

Attendance Policy

Students are required to be ready to dance at the advertised start time. If a dancer will be late or absent we ask that you contact the studio in advance to let us know. Dancers who are more than 15 minutes late without advance notice may be asked to observe for the class. Refunds and credits will not be offered for missed classes. If a class is cancelled by Beyond Dance Company due to weather or teacher illness we will try our best to reschedule.

Personal Property

Please remove outdoor shoes upon entering the building. Shoes, coats, and other belongings should be left in the waiting area or with parents/caregivers during class. Beyond Dance Company will not be held responsible for lost or stolen personal property and ask that anything that could go missing be left at home.

Studio Policies and Important Information

Location

We are fortunate to be able to offer our classes at The Christian Education Center at 257 John St N in Arnprior. We ask that all students and anyone accompanying them respect the facilities. Parking is available behind the building or on the street (please respect all posted signs). We ask that students use the back door to enter and proceed quietly up the stairs to the waiting area. Please remove all outdoor shoes upon entering the building. The waiting area is available during class times but we ask that anyone using the space respect the ongoing class and teacher and try to not be loud or disruptive. No one other than students and teachers are permitted in the class area at any time. In the rare case that we are using the downstairs area for class we will post a note on the outside door to inform dancers. On these days we ask that no one enter the upstairs space and instead proceed to the downstairs waiting area.

Class Rules

Students are to only enter the class area when the teacher invites them. Running and horseplay will not be tolerated at anytime. We ask that students only bring what is needed into the class area. Outside shoes/clothing should be left in the waiting area. Students with back to back classes can bring a bag with their shoes into the class area, all other belongings should be left at home or in the waiting area. No cell phones are permitted in the class space. Only water in closed containers is allowed in the dance area and should be left in the area designated by the teacher. Water breaks will be offered if the teacher feels this is necessary. Most classes are short enough that they should not be needed. A quick break will be offered between back to back classes for a water break, restroom break etc. Please try to use the restroom before the start of class to avoid disruptions to the class flow. No food is permitted in the dance area. Gum must be disposed of before entering the class area.
